The UK's only published wedding caterer

The Thomas the Caterer Guarantee

*"If at least two people don't say how **great, lovely, delicious** or any other wonderful adjective the food is at your wedding then I will take you out for dinner to say sorry about that!"*

Testimonial

*"We couldn't have dreamed of a better menu than the one Thomas created for us. The food was absolutely amazing and exactly how we had imagined it. Everything from the day we met Thomas to our wedding day was flawless, fun and funky!
Not only was the food awesome, he is the nicest guy you will ever work with and nothing was too much trouble for him to do for our day.*

He went from Thomas the caterer to Thomas our Friend.

Forever Grateful"

Aaron and Jess x July 2014 Quorn.
